- Turn right and go east to the Stop sign where you turn left.
- Silver Springs is on the left.

From Highway 400:

- Take Hwy 400 north to Barrie and exit following signs to Hwy 26 which say to Collingwood/Watauga Beach.
- Proceed west on 26 to Stayner.
- At the traffic lights in Stayner DON'T turn right to follow 26, go through the intersection, heading west on Hwy 91 to the traffic lights at Duntroon.
- Continue west on 91 up the mountain until the road ends at the Stop sign.
- Turn left and then first right (about 1/2 km) on the 10th Line of Osprey. Once you're on the 10th Line, it's just a matter of time before you are at Silver Springs - about 14 minutes.
- Count three Stop signs, and then turn right. Silver Springs is on the left.

Don't get discouraged by the remote countryside – this is what makes Silver Springs such a peaceful and beautiful location.

Note: Osprey/Artemesia Townline has no winter access from Grey Road 4.
